

REGISTER ÖVER CREDO ÅRGÅNG 1-50

Redaktionen avslutar härmed den femtionde årgången med en exposé över de femtio åren i form av ett register över tidskriftens medarbetare. Det är uppdelat i två avdelningar: dels ett register över direkta medarbetare, svenska, nordiska och utländska, som bidragit med artiklar och annat, dels ett register med rubriken »Texter», där Credo i original och översättningar meddelat sina läsare prov på äldre och nyare litteratur.

Eftersom registret omfattar tidskriftens medarbetare har osignerade artiklar, sammandrag ur andra tidskrifter och bidrag med oidentifierbara signaturer och pseudonymer i de flesta fall icke medtagits.

Registret är uppställt så att den första kursiverade siffran efter författarnamnet betecknar årgångens nummer, medan årgångens årtal utsatts därefter inom parentes. De därpå följande siffrorna hänvisar till respektive sidor i årgångens löpande paginering. Häftenummer har ej angivits.
